

Drafting 20 Orthographic Sketches – Your turn

Look at the 3-D object and sketch or draw on separate sheet of paper or electronic graphic paper. Remember to label and include: Top, Front and RHS views. +++See the last box for proper alignment ☺

 <p style="text-align: right;">1</p>	 <p style="text-align: right;">2</p>
 <p style="text-align: right;">3</p>	 <p style="text-align: right;">4</p>
 <p style="text-align: right;">5</p>	 <p style="text-align: right;">6</p>
 <p style="text-align: right;">7</p>	 <p style="text-align: center;">Notice how the views 'line up'!!!</p>
